Countryside Artisans Spring Tour

We've waited a long time for Spring to arrive and it's finally here! Come celebrate the beauty of the Ag Reserve and how it inspires my work.

While winter days were short and dark, I was able to focus on a series of large charcoal and pastel drawings on paper of the delicate shapes, texture and color in the sunflower leaves that wintered over from plantings last summer.

As the snow melted the colors of spring began to emerge and subsequently so did the colors in my latest creations.

The tour is Friday, Saturday, and Sunday April 21, 22 and 23 from 10 - 5 pm each day. My studio is #8 on the map. I'm right next door to Dancing Leaf Farm and there are several new studios which I hope you'll explore.

I'm looking forward to seeing you on the Tour or you can always call and make an appointment for a visit to Sugarloaf Studio.

Happy Spring!
